CHANGES IN WORKTOP-SELECTION

REMOVED WORKTOP COLOR SL225 C

Please note that laminate worktops, midway-boards, abs edge bands and surface laminates of color SL225 C Light marble will be removed from our selection. The 600 mm and 900 mm standard tops are sold out, the remaining midway-boards, abs edge bands and surface laminates are for sale as long as we have them in stock. We ask to remove SL225 C samples from the rack.

Standard-sizes:

4100 * 600 * 30 mm

4100 * 900 * 30 mm bartops

4100 * 645 * 4 mm midway-boards

SL225 C

Light marble

REMOVABLE PRESS TOPS 40 MM

Pressed laminate tops with a thickness of 40 mm will be removed from our selection. The products are on sale as long as there are enough boards in our warehouse.

Pressed laminate countertops are still available with a thickness of 30 mm in all countertop colors in our selection.

Kind regards
